To the Sceptical!

Mr. J. A. Bennett,

Sir,

I have great pleasure in stating that the

Holloway Liver and Stomach Pills, purchased

by you, have been found to be of great

benefit to your health, and I am glad to

hear that you are now feeling well, and

that you are now able to take your

usual food, and that you are now able

to take your usual food, and that you

are now able to take your usual food,

and that you are now able to take your

usual food, and that you are now able

to take your usual food, and that you

are now able to take your usual food,

and that you are now able to take your

usual food, and that you are now able

to take your usual food, and that you

are now able to take your usual food,

and that you are now able to take your

usual food, and that you are now able

to take your usual food, and that you

are now able to take your usual food,

and that you are now able to take your

usual food, and that you are now able

to take your usual food, and that you

are now able to take your usual food,

and that you are now able to take your

usual food, and that you are now able

to take your usual food, and that you

are now able to take your usual food,

and that you are now able to take your

usual food, and that you are now able

to take your usual food, and that you

are now able to take your usual food,

and that you are now able to take your

usual food, and that you are now able

to take your usual food, and that you

are now able to take your usual food,

and that you are now able to take your

usual food, and that you are now able

to take your usual food, and that you

are now able to take your usual food,

and that you are now able to take your

usual food, and that you are now able

to take your usual food, and that you

are now able to take your usual food,

and that you are now able to take your

usual food, and that you are now able

to take your usual food, and that you

are now able to take your usual food,

and that you are now able to take your

usual food, and that you are now able

to take your usual food, and that you

are now able to take your usual food,

and that you are now able to take your

usual food, and that you are now able

to take your usual food, and that you

are now able to take your usual food,

and that you are now able to take your

usual food, and that you are now able

to take your usual food, and that you

are now able to take your usual food,

and that you are now able to take your

usual food, and that you are now able

to take your usual food, and that you

are now able to take your usual food,

and that you are now able to take your

usual food, and that you are now able

to take your usual food, and that you

are now able to take your usual food,

and that you are now able to take your

usual food, and that you are now able

to take your usual food, and that you

are now able to take your usual food,

and that you are now able to take your

usual food, and that you are now able

to take your usual food, and that you

are now able to take your usual food,

and that you are now able to take your

usual food, and that you are now able

to take your usual food, and that you

are now able to take your usual food,

and that you are now able to take your

mind this glorious vision, we sit

at the foot of a mountain to talk to

the soul of this new world which

with the wind descends from the lofty

Cordilleras.

Yes, there is the American Father-

land, and above all when it rises like

a new day projecting its light

through dark horizons. The war

was long, and all were far away from

the point whence they started.

There stood the Chilian Lirio, the

Cochabamba chob, the Peruvian

castelo, the Colombian llanero, and

the gaucho from the Argentine

Pampas. They were all together

silently watching their fire when
